CONCEPT LINE

PRIMARY

Designed for efficient and affordable everyday grilling, this stainless steel gas grill offers long-lasting performance and easy maintenance. With powerful tubular burners, 8mm thick cooking grids, and metal flame tamers, it ensures even heat distribution. The 45° angled control panel enhances comfort. Available in 3 different sizes, it supports Propane (LPG) or Natural Gas (NG) - with the option to convert between fuel types if needed by using a conversion kit and nozzle. Perfect for daily cooking, it combines quality and practicality in one daily grill.

REEF LINE REFINED

Designed for an enhanced grilling experience, combines durability with refined performance. Crafted from premium 304 stainless steel, it ensures superior resistance to the elements while maintaining a sleek appearance. Featuring powerful tubular burners, 8mm thick cooking grids, and metal flame tamers, it delivers even heat distribution for excellent results. The tempered glass lid allows for monitoring, while two interior halogen lights provide clear visibility for nighttime grilling. The 45° angled control panel enhances usability. It supports Propane (LPG) or Natural Gas (NG) - with the option to convert between fuel types if needed by using a conversion kit and nozzle. A perfect balance of style, performance, and convenience.

I N N O V A T I O N

Designed for a premium grilling experience, it blends precision, durability, and advanced features. Constructed from high-quality 304 stainless steel, it offers exceptional resistance to the elements while maintaining a sleek look. With customizable options for main burners, cooking grids, and flame tamers, it allows users to tailor their setup for optimal performance. The tempered glass lid provides effortless monitoring, while two interior halogen lights ensure clear visibility for nighttime cooking. The round metal knobs with LED lights add a refined touch, and the 90° angled control panel delivers a professional feel. Available in 27", 33", and 40" models, it supports Propane (LPG) or Natural Gas (NG), with the flexibility to switch between fuel types using a conversion kit and nozzle. Designed for those who demand both innovation and performance in outdoor cooking.

LEGEND LINE

S O P H I S T I C A T I O N

Designed for those who appreciate premium quality and expertise, it delivers unmatched durability and performance. Constructed entirely from premium 304 stainless steel, it offers exceptional resilience while maintaining a refined, polished look. The 10mm thick hexagonal cooking grids and powerful cast burners ensure superior heat retention and even cooking. Customize your grilling experience with two flame tamer options: metal or ceramic briquettes. Your choice! The round metal knobs with LED lights add a modern touch, while two interior halogen lights provide clear visibility for nighttime cooking. The 30° angled control panel enhances ease of use. Available in 32" and 40" models, it supports Propane (LPG) or Natural Gas (NG), with the flexibility to switch between fuel types using a conversion kit and nozzle. A true blend of durability, professionalism, and timeless design.

SMOKELESS GRILL

C L E A N - B U R N I N G

Designed for a cleaner grilling experience, it combines low-emission with performance. Built with stainless steel, it ensures durability while maintaining a minimalist and modern look. Featuring two powerful infrared burners, it delivers even, high-intensity heat while minimizing smoke and emissions. The horizontal control panel provides easy access and precise temperature control. With a total output of 6kW, this fuel-powered grill operates exclusively on Propane (LPG) for an eco-conscious cooking solution. A perfect choice for those seeking a smokeless grilling experience.

to remain valid. Incorrect installation of your Chaleur gas appliance will void this warranty. For proper installation guidance, please contact Chaleur Grill.

- Grills: Concept Line, Essential Line, Reef Line, Smokeless Grill and Charcoal Grill - 1 year
- Speciality Cooking: 11" Single Side Burner and 13" Double Side Burner - 1 year
- Cooling Line: 1 year
- Outdoor Metal Cabinets: 1 year
- Indoor Fireplaces: 1 year

Warranty Limitations:

Chaleur Outdoor Products is not liable under this or any implied warranty for incidental or consequential damages. The company's liability is limited to the purchase price of the appliance only. Kindly note that the warranty is valid only in the United States.

What is Not Covered:

Stainless steel components may be affected by: improper maintenance; excessive heat; humidity; chlorine, fertilizers, pesticides, chemicals, and salt. Because of these factors, the warranty does not cover: discoloration, surface rust(unless it compromises the structural integrity of the unit).

RANGE HOODS

TOP - TIER

An essential addition to any outdoor kitchen, the BBQ Outdoor Range Hood ensures a clean and comfortable grilling space by removing smoke, grease, and odors. Built from heavy-duty 304 stainless steel, it offers durability and resistance to outdoor elements. Featuring yellow LED lights for visibility and adjustable motor speed buttons for airflow control, it operates quietly at $\leq 70\text{dB}$. Available in 36" and 42" models, it delivers power, style, and efficiency for an improved barbecue experience.

PRODUCT WARRANTY

If you have purchased a Chaleur Grill product, you must contact us within 30 days to activate your warranty. Keep your original receipt to request warranty parts. Contact us via email at wattsnorthamerica@gmail.com or through the following phone numbers: (407) 267-4498 or (407) 267-2339.

This warranty covers defects in material and workmanship. It applies only to the original owner, at the original site of delivery, and cannot be transferred to new owners. Keep your sales slip or invoice as proof of purchase. Chaleur Grill products are warranted for normal single-family/residential use only.

All installation, repair, and maintenance must be performed by an authorized service technician. Any work by unqualified individuals may result in safety risks and will void the warranty. All Natural Gas (NG) and Propane (LPG) appliances must be installed by a qualified professional for the warranty

to remain valid. Incorrect installation of your Chaleur gas appliance will void this warranty. For proper installation guidance, please contact Chaleur Grill.

- Grills: Concept Line, Essential Line, Reef Line, Smokeless Grill and Charcoal Grill - 1 year
- Speciality Cooking: 11" Single Side Burner and 13" Double Side Burner - 1 year
- Cooling Line: 1 year
- Outdoor Metal Cabinets: 1 year
- Indoor Fireplaces: 1 year

Warranty Limitations:

Chaleur Outdoor Products is not liable under this or any implied warranty for incidental or consequential damages. The company's liability is limited to the purchase price of the appliance only. Kindly note that the warranty is valid only in the United States.

What is Not Covered:

Stainless steel components may be affected by: improper maintenance; excessive heat; humidity; chlorine, fertilizers, pesticides, chemicals, and salt. Because of these factors, the warranty does not cover: discoloration, surface rust(unless it compromises the structural integrity of the unit).

BIOETHANOL FIREPLACES

H I G H - T E C H

Experience modern elegance with this smart bioethanol fireplace, available in 60" and 72" sizes. Crafted from brushed 304 stainless steel, it combines durability with a sleek, natural finish. Enjoy real flames with adjustable length and height, while advanced smart home automation allows control via button, app, or remote. Featuring auto-fueling, an auto-feeding pump, and an auto-ignition sensor, it ensures seamless operation. Built-in high-temperature protection, a fuel level sensor, and a CO₂ sensor enhance safety, making it a stylish and intelligent heating solution.

METAL DOORS & DRAWERS

S U M M E R K I T C H E N

Enhance your Summer Kitchen with durable and stylish storage solutions, including Metal Access Doors, Storage Drawers, and Combination Units. Crafted with an exterior of 304 stainless steel and an interior of 430 stainless steel, these weather-resistant components provide secure storage while complementing any outdoor setup. The single, double, and triple storage drawers offer smooth, easy-slide access to essentials like utensils and cookware, ensuring organization and convenience. For space-saving efficiency, the door and drawer combos maximize functionality, integrating storage and access in one sleek design. Perfect for keeping your BBQ island tidy and efficient, these solutions elevate both practicality and aesthetics.

METAL CABINETS

Built-in Size: 30.71W x 20.1D x 19.53H"

PRODUCT WARRANTY

If you have purchased a Chaleur Grill product, you must contact us within 30 days to activate your warranty. Keep your original receipt to request warranty parts. Contact us via email at wattsnorthamerica@gmail.com or through the following phone numbers: (407) 267-4498 or (407) 267-2339.

This warranty covers defects in material and workmanship. It applies only to the original owner, at the original site of delivery, and cannot be transferred to new owners. Keep your sales slip or invoice as proof of purchase. Chaleur Grill products are warranted for normal single-family/residential use only.

All installation, repair, and maintenance must be performed by an authorized service technician. Any work by unqualified individuals may result in safety risks and will void the warranty. All Natural Gas (NG) and Propane (LPG) appliances must be installed by a qualified professional for the warranty

Category	Products	Warranty
Grills	Pro View Line	2 years
	Legend Line	
BBQ Range Hoods	36" Range Hood	2 years
	42" Range Hood	
Speciality Cooking	16" Power Burner	2 years
	30" Gas Griddle	

to remain valid. Incorrect installation of your Chaleur gas appliance will void this warranty. For proper installation guidance, please contact Chaleur Grill.

- Grills: Concept Line, Essential Line, Reef Line, Smokeless Grill and Charcoal Grill - 1 year
- Speciality Cooking: 11" Single Side Burner and 13" Double Side Burner - 1 year
- Cooling Line: 1 year
- Outdoor Metal Cabinets: 1 year
- Indoor Fireplaces: 1 year

Warranty Limitations:

Chaleur Outdoor Products is not liable under this or any implied warranty for incidental or consequential damages. The company's liability is limited to the purchase price of the appliance only. Kindly note that the warranty is valid only in the United States.

What is Not Covered:

Stainless steel components may be affected by: improper maintenance; excessive heat; humidity; chlorine, fertilizers, pesticides, chemicals, and salt. Because of these factors, the warranty does not cover: discoloration, surface rust(unless it compromises the structural integrity of the unit).
